

Natasha Franck
Senior Vice President of Business Development, Delos

Natasha Franck is the Senior Vice President of Business Development at Delos, a research, technology and real estate consulting group focused on the intersection of health and the built environment. At Delos, Natasha has been part of the development of the WELL Building Standard, and its implementation process throughout the pilot process stage. Natasha worked in project management at Jonathan Rose Companies where she supported the development of a broad cross-section of educational and cultural projects in New York City.

Before working at Jonathan Rose Companies, Natasha was an Art Consultant and Project Manager at a corporate art consulting firm in New York City. Natasha holds a Bachelor's Degree from Georgetown University, and is a WELL Accredited Professional and LEED Green Associate.
